Being an additional guest at your event.

First of all I would personally like to thank you for showing an interest in The Gin Tin, we would be delighted to come to your event and make it extra special. The Gin Tin staff will be professional at all times and work with you to personalise our bar to your specific needs. We love a good event and would love to come to yours!

The Gin Tin offers you and your guests a pleasant drinking experience with a wide variety of drinks that have been agreed before the day. The Gin Tin does have an additional small bar 'Pop Up Polly' that can join us on the day to offer an alternative bar option.

Pricing

We have a variety of pricing options available to you depending on your requirements. We can work out very inexpensive to the event organisers should they wish it to be. Please see the packages below, these are a guide for you. We really do want your event bar to be personalised to you therefore welcome a discussion on your exact requirements to give a confirmed costing.

Option 1

Minimum Bar Hire cost £400 per hour (4 hours minimum hire).

Prior to the day we can discuss what type of gins you would like us to offer. We ask for the minimum amount of £1600 to be paid to us prior to the day. During the day we charge the guests for the drinks, should we exceed takings in excess of £1600 we will return the full £1600. Should we not take the minimum amount of £1600 we will deduct the amount taken from the £1600 and keep the remainder as payment. E.g. if the bar takings are £1200 in the four hours we will return £1200 and keep £400 of the original payment.

We can stay at the party longer if required, there will be an additional charge (non refundable) of £100 per hour. Total hours required to be agreed before the day.

Option 2

No minimum bar hire time

Booking fee to be paid to confirm the date £250

Minimum spend on the day £2000, event organiser to pay money if minimum spend is not achieved.

No money returned from the bar.

Only money exchanged after the event will be by the organiser should the minimum bar spend not be achieved.

Option 3

In addition to either Option 1 or 2

Gin Coin Currency – we can issue on the day Gin Coin currency. These coins can be given to guests to use at chosen times. The wedding couple can decide to give the coins as welcome drinks, wedding favours, presents for the bridal party, or just to be used during Gin O'clock (happy hour). Prior to the day The Gin Tin and the wedding party agree the times of use and the volume to be purchased. This can be a really good way to get your guests into the party spirit!!! The purchase of Gin Coins can be used as the minimal amount payment on the day.

Option 4

In addition to either of the above Options

The Gin Fountain – The Gin fountain can be hired out (including the gin and tonic) for £500. This will allow your guests to help themselves to the fountain. The fountain will not be replenished during the day.

If you would like it replenished we can add this cost on, the cost will depend on the chosen Gin.

Option 5

In addition to Options above

Open Bar - We can offer an Open Bar at a cost of £1000 per hour for two staff to serve Gin and Tonic to your guests. Multiple hours can be arranged. These hours do not need to be consecutive, they can be at different times during the day, i.e. an hour after the ceremony and an hour after the wedding breakfast. This can be worked as an addition to the other packages but the money for the open bar will not be returned/refunded.

The minimum time The Gin Tin will attend a wedding is 4 hours. This can consist of normal payment bar service for 4 hours or a mix of open bar, gin coin and normal bar payment service depending on your requirements.

Pop Up Bar

The Pop Up Bar is very versatile, it is a stand alone bar that can be used for any of the following:

The price of Polly's bar will reflect the items being sold.
