### **The Licensing Act 2003**

All of our bars work under The Licensing Act 2003.

Our staff are instructed to operate within these rules. Please note the following:

- 1) No alcohol will be sold to anyone under the age of 18, or who appears to be so and cannot prove otherwise. If your event includes guests around the age of 18, please ask them to bring ID.
- 2) It is an offence to sell or supply or supply alcohol to anyone under the age of 18. If we suspect that anyone is doing so, service from that person will be withdrawn. If we see anyone we know to be underage drinking alcohol that has been purchased from us, we confiscate the drink or ask you to do so.
- 3) We will not serve anyone who is excessively drunk, or who is abusive or threatening to staff or other customers or guests.

Although The Gin Tin may apply for the license, we would ask the event organiser to be responsible for guests behaviour. Any violence or abuse towards our staff will not be tolerated. In extreme cases we reserve the right to stop serving altogether.

### **Payment for drinks:**

All drinks are paid for as sold on the night, with the exception of prepaid drinks packages or prepaid free bars. We do not offer credit to our customers neither will we run a tab type bar unless monies have been paid prior to the event or an agreement has been drawn up.

### **Gin Coins**

Where Gin Coins are being used all coins must be paid for in advance. The value of the coin and the conditions of its use will be confirmed prior to the event via email.

Where the Pop-Up Bar is being used at the event, the terms and conditions of The Gin Tin will also apply to the Pop-Up Bar. The specifics of the event will be confirmed via email between The Gin Tin and the client this is due to the personalisation of the bar.

### **Disclaimer**

The Gin Tin does not accept any liability for any failure to provide our services due to an 'Act of God', i.e. circumstances beyond our control, (including flooding, fire, severe traffic congestion, car accidents or any foul weather conditions). A full refund of the deposit will be given in such event.

We hold a vast selection of drinks. However, if one drink selection is favoured, we may occasionally run out. If you are aware that your guests require an extensive amount of one drink type, we will attempt to increase stock levels to accommodate your requirements.

### **Glassware**

When Glassware is used by the client, we will aim to provide this from our own resources, however in some circumstances (availability, locality) we may have to use a third-party company who may want to deliver on different days surrounding your event. In this case, we will liaise between client and third-party company to ensure delivery and collection are briefed and prepared correctly in the interests of all parties. In this case there may be an additional cost for the glassware. All glassware is audited after the event and the client will be charged at four (4) times the hire rate for each broken or lost glass.

If The Gin Tin collects glassware after the event, we will need to charge a collection fee. We are not an after-party cleaning service and as such we ask that all glasses are emptied of contents and placed back within the glassware racks provided for you to speed up collection time. It is advisable to make a note of glassware numbers to ensure that you are billed correctly after the event for any lost or broken glassware.

### **Complaints**

We treat all complaints about our service, either in advance, during or after the event seriously. If you are not happy with the service whilst the party is happening, the best thing to do is speak with the staff on site and see if the problem can be rectified. We aim to make your event as enjoyable and stress free as possible, please let us know if there are any issues.
